Availability of these products might vary from a given country or region to another, as a result of specific local regulatory approval or clearance requirements for sale in such country or region.

- Consult product labels and inserts for any indications, contraindications, hazards, warnings, precautions, and instructions for use.
- Non contractual document. The manufacturer reserves the right, without prior notice, to modify the products in order to improve their quality.
- Warning: Applicable laws restrict these products to sale by or on the order of a physician.

Additional information for EMEA Customers only :

Products mentioned in this document are CE class I, Im, IIa or IIb devices. Contact Integra should you need any additional information on devices classification.

All the medical devices mentioned on this document are CE marked in accordance with the applicable European laws, unless specifically identified as "NOT CE MARKED".

Products marked with the symbol^(®) are distributed by Integra MicroFrance SAS (France)

Date of last revision : 03/2023
