

Limit uncertainty by connecting to proven performance. With the MAYFIELD® Spine Table Adaptors for specialty spine tables we are committed to limiting uncertainty so you can get the stability you demand for your cervical spine procedures without compromise. Now you can make the right connection with MAYFIELD Spine Table Adaptors designed specifically for your specialty spine tables including the Jackson Spine Table.

Whether you want to connect to the standard MAYFIELD headrest or the MAYFIELD radiolucent headrest, MAYFIELD Spine Table Adaptors make it easy.

**There's only one MAYFIELD.
Only from Integra.**
